**S8™ Series II Flow Generators with Easy-Breathe Technology**

ResMed's S8™ Series II with Easy-Breathe Technology sets a new industry standard in quiet therapy, natural comfort and superior performance. ResMed's exciting new Easy-Breathe technology improves patient compliance by increasing comfort and reducing noise.

Item #	Description	HCPCS
33129	<b>S8 AutoSet™ II (choice of EPR™, CPAP, APAP or EPR in APAP mode)</b> Features include the new whisper-quiet operation and superior APAP comfort with efficacy and compliance monitoring through the new and improved EPR with Easy-Breathe technology; now available in AutoSet mode as well as CPAP mode. Includes usage-based compliance downloads for accurate patient monitoring and a standard data card for easy two-way data transfer.	E0601
33150	<b>S8 AutoSet II &amp; H4i™</b> S8 AutoSet II packaged with the H4i humidifier (Item # 26940).	E0601, +E0562
33039	<b>S8 Elite™ II (choice of EPR or CPAP mode)</b> Features include the new whisper-quiet operation and advanced comfort with efficacy and compliance monitoring through the new and improved EPR with Easy-Breathe technology. Includes usage-based compliance downloads for accurate patient monitoring and a standard data card for easy two-way data transfer.	E0601
33062	<b>S8 Elite II &amp; H4i</b> S8 Elite II packaged with the H4i humidifier (Item # 26940).	E0601, +E0562
33064	<b>S8 Escape™ II Auto (choice of EPR, CPAP, APAP or EPR in APAP mode)</b> Features include an APAP mode based upon the gold-standard AutoSet Algorithm. In addition, the Escape II Auto features the whisper-quiet operation and standard comfort with compliance monitoring through the new and improved EPR with Easy-Breathe technology. Includes usage-based compliance downloads for accurate patient monitoring and a standard data card for easy two-way data transfer.	E0601
33077	<b>S8 Escape II Auto &amp; H4i</b> S8 Escape II Auto packaged with the H4i humidifier (Item # 26940).	E0601, +E0562
33051	<b>S8 Escape™ II (New EPR added)</b> Features include the new whisper-quiet operation and standard comfort with compliance monitoring through the new and improved EPR with Easy-Breathe technology. Includes usage-based compliance downloads for accurate patient monitoring and a standard data card for easy two-way data transfer.	E0601
33061	<b>S8 Escape II &amp; H4i</b> S8 Escape II packaged with the H4i humidifier (Item # 26940).	E0601, +E0562

**S8 Series Flow Generators**

ResMed's S8 series offers remote two-way communications and the ResMed Personal Assistant. Features include ResScan™ data card, Personal Assistant, replacement reminders, 12/24 Volt DC, user-friendly LCD, adjustable ramp pressure, delay timer, altitude compensation, pressure delivery from 4–20 cm H<sub>2</sub>O, internal power converter, air tubing, patient operating manual, two-year limited warranty and premium travel bag (excluding S8 Compact™).

Item #	Description	HCPCS
